True Parents of Heaven, Earth and Humankind

Introduction

Dear Brides and Grooms,

Azaleas bloom on the hillsides as spring arrives, and where azaleas bloom, so do our hearts.

In the beautiful spring season of hope, it is my pleasure to extend my sincerest congratulations to all couples who, after much preparation, will receive the Blessing amid much love and blessing from Heavenly Parent and True Parents through the beautiful 2022 Hyojeong Cosmic Blessing Festival Hosted by the True Parents of Heaven, Earth and Humankind celebrating the 62nd anniversary of our True Parents' Holy Wedding.

In her memoir, *The Mother of Peace*, True Mother says the following about the Holy Wedding of True Parents: "Spring signifies freshness and newness. I love spring, as it is the season of hope. Spring brings with it the expectation that, as we leave the cold winter behind, our days will be vibrant with life. I was thinking that the history of the Unification Church should begin anew with this coming of spring. The appearance of the family of the True Parents on earth that day flung open a new door in the history of God's dispensation. The day of the Holy Wedding Ceremony, conducted after we had lived through perilous years, was the day of God's greatest delight."

On 3.16 by the heavenly calendar, True Parents said the following regarding the day of their Holy Wedding: "As children, it is the Parents, and their Holy Wedding anniversary, that we should think of as the most important thing. This day will be passed down for all of eternity among humankind. The completion of God's providence begins in the springtime. It starts in the spring and is completed in the spring…. Heavenly Parent started in spring. The preparations Heavenly Parent made in the winter are for flowers to blossom in the spring and for hopes to sprout. The 16th day of the 3rd month is therefore the best day for God and humankind."

You are truly blessed to receive the Marriage Blessing on such a meaningful day. Marriage Blessing is Heavenly Parent's most precious gift to humankind. To share and give His love unconditionally and continuously, Heavenly Parent created human beings in the hope that they would grow properly in resemblance to Him, into virtuous men and women, and marry with Heavenly Parent's blessing. Heavenly Parent eagerly anticipated this day. True Parents, who have realized Heavenly Parent's great dream, sincerely hope that you too will become virtuous men and women who realize Heavenly Parent's dream.

My dear brides and grooms, who are more beautiful than flowers in spring,

My fervent prayer is that after you have received the Marriage Blessing, you will be able to create beautiful and happy families, who contribute to the realization of the ideal of one human family under Heavenly Parent, and ultimately a world of lasting peace.

The Blessing Guide

True Parents' Words

From Cheon Seong Gyeong Book 11 Chapter 3

Section 1. The Blessing Ceremony

1 The Blessing is not just for people. Nor is it just for heaven and earth. God bestowed the Blessing by investing everything from the foundation of His internal heart. If that Blessing had been realized exactly as He had planned, the glory of victory would have filled heaven and earth. Amid such a world, God would have rejoiced in the families of people who embodied Him and fully inherited His heart. Upon establishment of that family-level foundation, humanity would have accepted the holy enterprise of Heaven as its own holy enterprise, and people would have built the eternal and infinite blessed land of happiness. This was God's ideal and desire.

Significance and value of the Blessing

2 You need to know how amazing blessed families are. The Blessing is to perfect the individual, to perfect goodness, and to multiply children. It is to perfect people as individuals, perfect their relationships as husband and wife, and multiply goodness through their children. It is the core, fundamental requisite for all people.

3 If Adam and Eve had not fallen, they would have reached the focal point, the ideal intersection of vertical and horizontal love. Through their union, they would have attained total oneness and harmony. Besides instituting the love of the true ancestors of humanity, they would have been the starting point of true life and true lineage. Their wedding ceremony was to have been not just for themselves as human beings; it was also to have been the wedding ceremony for God. God would have entered their hearts, and the external God and internal God would have united as one. That was to have been the original wedding ceremony, having nothing to do with the Fall. What I am saying here is revolutionary in the world of religion.

4 What is the Blessing? If you consider man as the East and woman as the West, then the Blessing is the union of East and West at a central point on a horizontal plane. What is the power that unites them? It is love. Man and woman were created to unite as one through love. That is why, after they reach maturity, a man and a woman find their way to the place

where they can attain union. That place is their central point. That central point is where God can vertically descend and dwell. When a man and a woman place God's love at their center, where His vertical line joins their horizontal line to form a 90-degree angle, they become one at the center of a 360-degree circle. If our first ancestors had become one based on God's love, they would have become God's bodies. Who are Adam and Eve? They are the substantial bodies of God. That is why, in the biblical book of First Corinthians it is written, "Do you not know that you are God's temple…?" (1 Cor. 3:16) Our bodies are God's temples. If even fallen human beings can be His temples, then the original substantiation of God's duality, the unfallen Adam and Eve, would naturally have become the original temple, the dwelling place of God in the human world.

5 God has the dual characteristics of plus and minus. When God's dual characteristics are divided, the plus characteristic is manifested as a man, Adam, and the minus characteristic is manifested as a woman, Eve. When Adam and Eve unite together to embody God's oneness, their union is substantiated in their children. In this manner, the first, second and third generations are formed with God at their center. Within these three generations, problems arose in the second generation, that is, the generation of Adam and Eve. They failed to become one under God's love. If Adam and Eve had united in God's love, they would have established the bond by which God could have come to dwell with them. Then their children as well would have been connected to the standard of love, and formed their own relationship with God. This is called the Blessing.

6 The marriage Blessing was instituted as God's Blessing for the liquidation of debts. Through the Blessing instituted in this age, all debts are liquidated for the first time in history. In other words, although formerly we were destined to die, all our debts are remitted through the Blessing as a condition. You should, therefore, feel that the Blessing of the Unification Church is more precious than all the good things that have been done since the beginning of history, piled up in one big heap. You should feel that the connection of love, life and lineage you have acquired through your bond with the True Parents is so precious that it cannot be exchanged for anything else. That is why you should invest everything you own—your mind, your body, even if you have to sell your property—for the Blessing.

7 The Blessing of the Unification Church is performed so that God's incorporeal life, love and ideal can be manifested in form. To put it another way, the Blessing is to connect us to God's life, love and ideal. That being the case, where does God rejoice? He rejoices at the place of the Blessing. When God rejoices, His life, love and ideal all have a livelier bounce.

The Engagement Ceremony and the Holy Wine Ceremony

8 At the Engagement Ceremony for the Blessing, I raised my hands and pronounced a benediction. With that benediction, I could incorporate the women of the world into Adam's

family, in the place of Eve who had been separated from that family. I could thereby form a conditional bond of blood with them. That is the change of lineage. Henceforth, each woman of the world who has gone to the spirit world should attend me as her elder brother, husband and father, centered on True Mother.

9 If the God-centered True Parents had emerged in the garden of Eden, they would have bequeathed the Blessing on behalf of God to their descendants for generations to come. If only they had believed in God, those True Parents would have inherited the Blessing from Him, and you, in turn, would have inherited it from them. Accordingly, I am bestowing this Blessing on you. By inheriting it, your sons and daughters will be born in the new eternal realm of victory, not the fallen realm. They can become sons and daughters who go up instead of going down.

10 What are the conditions to receive the Blessing? To reach perfection, you cannot pass through the formation, growth and completion stages all at once. That is the Principle. You receive the Blessing at the completion level of the growth stage. Afterwards, you still need to follow the sevenyear courses: a seven-year course before marriage, a seven-year course after marriage, and another seven-year course centered on your family. You need to go through these three seven-year periods for a total of twenty-one years. Upon the foundation you make by going through this twenty-one-year course, I should be able to achieve the foundation for a nation. I must reach that level. Now we have to conduct some ceremonies. First comes the Engagement Ceremony, next comes the Ceremony for the Restoration of Eve and then the Ceremony for the Restoration of Adam. These ceremonies are to restore the heart and change the lineage.

11 The Holy Wine Ceremony is the ritual of infusing God's body into your body with new love. Since you have only one body, you need to transform it with God's love. This is the meaning of the Holy Wine Ceremony. The Bible records that at the Last Supper, Jesus blessed bread and wine and gave them to his disciples. He referred to the bread as "my body" and the wine as "my blood of the covenant, which is poured out for many for the forgiveness of sins." (Matt. 26:26-28) Likewise, it is only by inheriting the new lineage originating from God's substantial self that you can be cleansed of the original sin. You cannot participate in the Blessing without going through this ceremony. The Holy Wine Ceremony is the ceremony to change your lineage.

12 You inherited a lineage defiled by the Fall; therefore, you need to change your lineage. Without doing that you cannot rid yourself of original sin, and without ridding yourself of original sin you cannot rise to the level where you can receive the Blessing and become true children. That is how the Principle operates. The Holy Wine Ceremony is the ceremony to change your lineage, and it thereby removes the original sin that occurred at the Fall. In other words, it is a ceremony to transform your flesh and blood.

13 The fact that you participated in the Holy Wine Ceremony means that you received the blood of the Blessing. It means that you are joined in a relationship with True Parents through their love, life and lineage. Consequently, you have become True Parents' kin. It is a ceremony of Blessing when my blood is infused into a person who otherwise would be destined to die. In other words, my blood is transfused into that person so that that person carries my blood. It is only when you drink the holy wine that I can bless you. In distributing the blood of the True Parents, the order of the Holy Wine Ceremony is that the woman drinks the holy wine first. Likewise, when receiving the Blessing, the woman precedes the man. The woman drinks half the cup of holy wine first.

14 The Holy Wine Ceremony is a ceremony of restoration through indemnity. For this ceremony, you men begin in the position of the archangel. That is why you are supposed to offer your lineage and everything else. Only then can it be a condition for restoration. I then conduct the ceremony through Mother. You are in the same situation. By going through the Holy Wine Ceremony, you assume a restored position that is the same as that of the Parents. The woman receives the holy wine first. She bows to True Father, receives the holy wine, and drinks half the contents of the cup. Then the man bows to the woman. While the woman is drinking her half, the man keeps his head bowed. At that time, the woman is in the position of mother. Her position is the same as that of True Mother. So when the woman drinks her half of the wine and hands the remaining half to her husband-to-be, and he drinks it, they are bonded. Thus the man can rise to an equal footing with the woman.

15 Since Eve fell because of the archangel, in the course of restoration Eve needs to stand before Heaven through Adam and then restore the archangel. This is the purpose of going through the Holy Wine Ceremony. When the ceremony is conducted, I offer the holy wine first to the woman. That part of the ceremony is to restore the lost Eve. Through the Holy Wine Ceremony, she becomes one with me in spirit, heart and body. It is an absolute, internal covenant.

16 Holy wine is not easily made. I am saying that wine cannot become holy wine just as it is. Holy wine is made in the presence of God, Satan and numerous angels in the spirit world. It contains twenty-one elements that you are unaware of. The wine contains every element necessary for the process of restoring humankind and the world of creation. When I made the holy wine, spirits came from the spirit world and begged to be allowed to drink a cup. They knew that by drinking the holy wine they could be restored, so they came to me as a group and asked if they too could be given the same benefit. They knew that I could do such a thing. However, I am not here for the spirit world; I am here for the physical world. That is why I told those spirits, "You need to wait," and I first gave the wine to you who worked hard for the Will.

17 The holy wine needs to contain ingredients that symbolize the love of the Parents. It should also contain something that symbolizes the blood of the Parents. Hence when you drink it,

you become one with the love and blood of the Parents. These are what constitute the holy wine. The holy wine is made with ingredients that symbolize everything - the land, the sea and the sky. It contains three kinds of wine. It also contains other elements symbolizing all things of creation. Drinking the wine signifies being born anew spiritually and physically. Without this ceremony you cannot remove the original sin or change your lineage. And without changing your lineage, you cannot reach the standard of perfection and become one with God's love. The Holy Wine Ceremony indemnifies all this.

18 At the time you received the Blessing, you participated in a ceremony to change your lineage. Twenty-one consecrated elements were required to make the holy wine. They included air-borne fruit, fruit borne on trees, fruit on the ground and fruit underground, plus the most precious elements from the mineral kingdom, plant kingdom and animal kingdom. All these elements had to be free of any conditions for Satan's accusation. After the holy wine was thus made, it had to be stored for seven months, without any problems occurring during that time period. It was not simple to make this wine. The Blessing Ceremony, the Indemnity Stick Ceremony, and the Three-Day Ceremony

19 In Eden, God was unable to conduct the wedding ceremony of Adam and Eve. They married of their own accord and thus connected to Satan's lineage instead of God's lineage. The Blessing Ceremony uproots this and reconnects Adam and Eve to God's lineage. That is why through the Blessing Ceremony we receive the citizenship that enables us to live in our original homeland, the liberated kingdom of heaven in heaven where there is no Fall, and to attend God as our Father.

20 After the Engagement Ceremony comes the Holy Wine Ceremony and then the Holy Wedding Ceremony. The Engagement Ceremony and Holy Wine Ceremony are not performed according to any precedents. They are required ceremonies that symbolically reenact all the details of the Fall and indemnify them. At what stage did Adam and Eve fall? They fell at the engagement stage. In other words, they fell in the process of growing up, on the way to the goal of perfection. The purpose of their engagement was marriage. However, when they were still engaged, Adam and Eve wrongfully married; that was the Fall. Therefore, to indemnify that, we need to deny that marriage, rectify it and go beyond it centered on God. In denying it, we cannot do it in just any way. We cannot do it unless we follow a course that is the reverse of the Fall.

21 The Holy Water Ceremony is also a ritual of the Blessing. It is the same as baptism. Although Jesus was baptized, he had no Holy Wedding Ceremony. He passed away without being able to marry. He had neither a wife nor children. He had no family of his own. However, I have labored for this day, risking my life in the process.

22 Blessed members of the Unification Church participate in the Holy Wedding Ceremony, but

it is a wedding only within the church. It is not a ceremony recognized by the nation, world or cosmos. That is why we should have not only a church-level Blessing but also a national-level Blessing. Furthermore, we will go through a world-level Blessing and then participate in the Ceremony of Eternal Blessing in the kingdom of heaven. Only then can we finally return to the original world. If you participate in the Blessing of the Unification Church simply for your own convenience, and secretly without my knowledge, it is not effective. You need to go through the national-level Blessing, for which you should disclose all of your personal history. Next you have to go through the world-level Blessing. Then, after going to the spirit world, you need to go through a great admission ceremony and the registration ceremony. Next we have to complete the organization of the twelve tribes. Finally, after True Parents have settled in the other world, with God as the center, all of the world's people will take their places and sit down in order.

23 When True Parents and their sons and daughters are united as one, that family will have established the four-position foundation. Completion of the four-position foundation means that God will be able to realize the ideal of creation that He has desired for six thousand years. Once that foundation is established, there will be a realm where God recognizes those who have fulfilled it and promises to make them citizens of the kingdom of heaven and members of the family of that kingdom. What the Unification Church focuses on the most is the Blessing. The Blessing is for the family. What is the kingdom of heaven like? It is the family in heaven. We need to realize such a family; that is the kingdom of heaven. Thus, those who are unable to create that kingdom in their own family cannot enter the kingdom of heaven in heaven.

24 What is the Indemnity Stick Ceremony for? Adam and Eve fell by misusing their lower parts. During the Indemnity Stick Ceremony, both wife and husband strike each other's buttocks as hard as they can, saying they will never fall again. We do this so that they will never again misuse that part of the body. Likewise, when the Israelites made a pledge, they placed a hand under their thigh. They also conducted circumcision. When a son was born, his male part was bled on the eighth day after birth. This ritual was instituted because the male reproductive organ had been misused. Because the seed had been damaged, the ritual of circumcision was established to change the seed. All these are conditions to determine ownership.

25 Tamar risked her life to continue God's heavenly way. Also, Jacob wrestled with the angel at the risk of his life. Although the angel struck his hip and dislocated it, he did not let go of the angel all through the night. The hip had to be struck. The Fall was brought about by wrong use of the hips. That is why the Unification Church conducts the Indemnity Stick Ceremony after the Blessing. In that ceremony, the hips are struck because they were misused. Our ancestors representing the three ages engaged in improper love and became entangled in it, and we need to clear that up.

26 Why do we have of the Indemnity Stick Ceremony? When we read the Bible, we learn about circumcision, which is a condition of indemnity. Adam's family broke apart because of wrongly directed love. What is baptism? It refers to the time of Noah. The reproductive organs had been defiled, and Noah's time was when they were indemnified. At the time of Noah, these organs were subjected to judgment by water. In short, they were washed. However, the washing was incomplete. They had to be "baptized," but that was only a condition. Once those defiled bodies were washed and the defiled spot indemnified, the time of Jacob was to have been the time of settlement. For this purpose, Jacob had to live a life that would restore love. He had to begin the change of lineage, change of ownership, and change of the realm of heart. The chosen people got their start when their lineage was transformed.

27 Blessed members of the Unification Church go through the ceremony to change their lineage, followed by the Indemnity Stick Ceremony and the Three-Day Ceremony. Satan cannot intrude in those ceremonies. Now that the True Parents opened the gates of the kingdom of heaven by the law of God and proclaimed the liberation of humanity, Satan, who exercised his power at the completion level of the growth stage, can no longer interfere. That is why blessed families need to go through the ceremony to convert their lineage.

28 If you do not go through the Three-Day Ceremony, you will have nothing to do with True Parents' lineage. You will be nothing but a spectator who has come within the fenced area. Only after you complete the Three-Day Ceremony can you dress in holy robes and be included in True Parents' lineage. Otherwise, although you may have eaten a piece of the wedding cake, watched the celebration from beginning to end and enjoyed yourself with your friends, you will end up being apart. You will not become one with True Parents' lineage. Once you are apart from it, you will remain apart for all eternity. Lineage is such a fearful thing.

29 Until now, we have thought ill of erotic love stories because love organs became palaces of wickedness. They became like weapons causing three-fold destruction: they became a palace in which love, life and lineage were destroyed. Because they became the palaces that plunge everything in heaven and earth into a world of total darkness, they are called by the worst of all bad words and the most vulgar of all vulgar words. Nevertheless, in Korean, the term ssang in ssangsori (a vulgar word) is not a bad word. In fact, it is the very word ssang that is in ssangssang, or pair. "Pair" is what the word implies. The word ssangsori refers to two people making love, and that should not be something bad. Originally it was a holy word. Millions of generations of your ancestors lived by clinging to the love organs; likewise, Adam and Eve also lived by clinging to them. Woman lived by clinging to the reproductive organ of man, and man lived by clinging to that of woman. Despite this, they did not know the preciousness of those love organs. The woman's love organ is the subject partner of all subject partners, for it controls the life of the man.

30 When we study the structure of our bodies, we can see that the male and female reproductive organs are set in the most protected area of the body. That is because these organs are the most precious. The wind may blow or something may attack us, but they cannot invade that part of the body. What is more, the woman's organ is less prone to invasion than the man's. The words I use when speaking about these organs are not vulgar; rather, they are sacred words. If you contend that the words for what was considered most precious from the time of our ancestors are vulgar words, then you are implying that our ancestors up to now have all been bad. You are saying that even the first ancestors, Adam and Eve, were bad. Because our first ancestors formed assang (a pair), such words are termed ssangsori (a vulgar word). If they had originally placed true love at the center of their relationship, our ancestors would have set down their roots there and grown into a sacred tree. Then the words about love organs would have been considered good words and good sounds, and they would not have been given coarse treatment. Instead, we would have attended them with care. Therefore, before we make love, we need to offer a bow before our ancestors and say, "Thank you for giving us this day, which is a very special day." That is why, when we perform the three-day ceremony, we begin by offering a bow. We offer that bow as a simple ritual representing all bows. After completing the Three-Day Ceremony, we are free to love. We can make love as often as we desire and in any way we please.

31 Since the Blessing is now available for everyone, we should give the Blessing to as many people as possible. We need to bless everyone, without missing even one person. Before I depart this earth, you have to make sure that there is no one left unblessed in the spirit world. The Blessing did not exist in the past, but now it has become a reality. Before I pass on, both earth and heaven should be filled with people who are blessed. Otherwise, all the fallen bloodlines that were sown by fallen Adam will not be eradicated.

The Eighth Day Dedication Ceremony

32 On the eighth day after the birth of our child, we offer the Dedication Ceremony. We say that the number eight is a central number. Since it is a central number, it needs to be fulfilled by the man and woman, and also the grandfather and grandmother. In short, there should be the four directions in three stages: grandfather and grandmother, man and woman, and the son or daughter to be dedicated. These three stages cannot be without a center. Yet not just anyone can stand in the central position and be part of the three stages.

33 Jesus passed away at the end of the three-year period of his public ministry, but the Unification Church is continuing his mission of laying the foundation for the kingdom of heaven on earth. At the time of the Dedication Ceremony of my first son, I gave members three kinds of gifts as a condition of three sacrificial offerings, and fed them with seaweed soup, rice and milk. That period of three years was the period to set up the four-position foundation, which Jesus was unable to establish. If Jesus had brought Judaism under him

and made Rome submit to him, he would not have died on the cross. I have achieved victory on the first stage. Then, to establish God's citizens and sovereignty, I gave awards to three women and one man in recognition of their contributions.

34 This morning we held a ceremony to celebrate God's Day. Before that we performed a Dedication Ceremony. At this time I have mobilized the blessed wives, whom you love the most and who serve as the foundation of heart in your families. Nevertheless, the fact that you did not oppose the mobilization or demonstrate against it is a great honor to me. That is how, with my family at the center, all of you were able to set a victorious foundation to connect all families in unity when you go to the frontline to meet people. Thereby, my family was finally able to establish the victorious condition to be offered to God. That is how we were able to conduct the ceremony to celebrate God's Day on the second floor, and also hold my family's Dedication Ceremony. Therefore, we could bestow blessings even on the infants. However, even when this Dedication Ceremony was done, I had to establish the proper order. Before Heaven's family came to exist, first there was the angelic world. Therefore, when my family was dedicated to God, at the same time I needed to soothe Jesus' bitter sorrow and fulfill the wishes of people on earth. 35 Because I have already fought on the individual and family levels, I have reached the standard by which I can work on the national level. But you have yet to reach that standard. You need to be qualified to stand on the national-level foundation. This means you need to have the qualification of a parent standing on the national-level foundation, the qualification of a child standing on the national-level foundation, and the qualification to have dominion over all things while standing on the national-level foundation. On that foundation, you should have dominion over all things. After that, the returning Lord needs to fight to the end according to that standard to establish the world level standards for parents, for children and for dominion over all things representing the world. At present we are in the process of fighting to reach that goal. That is what you are participating in. Hence, along with the national-level Dedication Ceremony for the family, what other ceremonies should you hold? You should have Dedication Ceremonies for all things and for children. They should be carried out in reverse order. You should have dedication ceremonies for all things, for children, for yourself and for your family. Without carrying these out, you cannot completely indemnify history vertically and horizontally and dedicate it as a victorious sacrificial offering.

Trinities

True Parents' Words on Trinities:

In our church, I created the trinity system based on groups of three couples. I made it this way for the sake of the attendance of the Lord in the future. We have to make a model with a couple representing Adam and Eve, and three couples representing Adam's sons and their wives. If the three couples do not unite, this model will be destroyed again. In particular, it is important for the three men to become one. Whether they live or die, they must become one in heart spiritually and be a team that works together physically. They are not to establish simply a temporary foundation, but rather one that transcends time. If they do not accomplish this, they will be ashamed to stand in front of the Returning Lord. The three couples in the trinity must unite, becoming a principled foothold that can represent the Will of God. In other words, if they can become a trinity determined not to change even if heaven were to change, then they will have made a foundation for God's Will to be realized. To provide such a foundation, I organized you into trinities. (Cham-Bumo Gyeong Book 4 Chapter 3 Section 3) (003-241, 1958/01/03)

The ideal world of the future will be maintained through trinities of families. The purpose of creation is to realize the four-position foundation. Since people must first perfect the four-position foundation, everyone needs to establish a family. Human beings resemble God, and society should resemble human beings whose center is God. I have been establishing the Unification Church in countries throughout the world. I know the whole world should become this way, and although I have not been able to inform everyone, the world will change through this principle. The ideal world resembles the form of a human being. That world transcends nation and people. (ChamBumo Gyeong 4.3.3) (1958/01/03)

The Holy Wine Ceremony

Meaning of the Holy Wine Ceremony

You inherited a lineage defiled by the Fall; therefore, you need to change your lineage. Without doing that you cannot rid yourself of original sin, and without ridding yourself of original sin you cannot rise to the level where you can receive the Blessing and become true children. That is how the Principle operates. The Holy Wine Ceremony is the ceremony to change your lineage, and it thereby removes the original sin that occurred at the Fall. In other words, it is a ceremony to transform your flesh and blood.

(Cheon Seong Gyeong 11.3.1.12, 35-210, 1970.10.30)

Satan corrupted Eve at the time of the Fall. But, at the time of restoration, Eve must be pulled up to the level of perfection through the Holy Wine Ceremony. The next dispensation must take place through this restored Eve. You men, who were fallen archangels before the Holy Wine Ceremony, have become restored archangels, but you still need to inherit the blood lineage as children of God. Before the fall, Adam was the son of God. To be restored, he can become an adopted son by being "grafted" through a restored woman, and then can finally bear fruit. This is our strategy. By which principle is this possible? Since an archangel fell by Eve, he can be recreated by a restored Eve, regaining his original position through the payment of indemnity. (35-301,1970.10.30)

What is holy wine? It contains a portion of all things that cannot be accused by Satan. If a person who has received this holy wine and has become one with True Parents profanes it, it is a very grave matter. His position becomes even worse than Satan. Satan profaned and violated the completion sphere of the growth stage, but how can an unfaithful blessed person be forgiven, when he has violated not only the completion sphere but also the substance of God? It is a terrible thing. (God's Will and the Word (1985), Chapter 29)

1. The Holy Wine Ceremony is to restore women, who fell first, and then restore men. Through this indemnity ceremony, people who were born of the satanic lineage are to be reborn into God's lineage through True Parents.
2. Through this ceremony, the man and woman are being rid of the original sin and becoming God's true child. The Holy Wine Ceremony represents the borderline between good and evil, and the line between life and death

The conditions to become the people of the first and second Israel were circumcision and baptism, respectively. However, the condition to become the people of the third Israel is the Holy Wine Ceremony.

Cheon Il Guk Holy Wine

Origin and Significance

The ceremonies of the Marriage Blessing conducted by the Family Federation for World Peace and Unification (Unification Church) are ceremonies for the change of lineage from Satan's lineage to God's lineage. The holy wine used in the Blessing Ceremonies is newly made according to the progress of God's providence.

1) Traditional Holy Wine

The traditional holy wine, which was taken in order to change the blood lineage of fallen man, began to be used after True Parents' Holy Wedding in 1960. The traditional holy wine has the significance of a rebirth Blessing based on the eradication of the original sin. True Father explained that the traditional holy wine signifies a contract made between God, Satan and True Parents.

"Do you know what the holy wine is? Its qualities are awe-inspiring. It constitutes a contract between Satan, God and me. If you drink this, we must open the gates to hell, and open the gates to heaven. Once the Blessing transcends the global level, the doors to hell will automatically open." (306:238, 1998.9.23.)

2) Cheon Il Guk Holy Wine

True Parents made the Cheon Il Guk Holy Wine on October 23, 1999 at East Garden and kept it in storage. On that day, True Parents gave a proclamation entitled, "Proclamation of the Liberation Day for the Blessing of the Entire Cosmos," through which they declared the unity of the four great realms of heart, the liberation of children, couples and the liberated realm of the Parents of Heaven and Earth. (Major Ceremonies and Proclamation Ceremonies IV, 120)

Following the Holy Marriage Blessing Ceremony of the Parents of Heaven and Earth Opening the Gate of Cheon Il Guk on February 6, 2003, the Cheon Il Guk Holy Wine was distributed to each FFWPU regional president on August 20. This holy wine was used at the "Cheon Il Guk Registration Blessing Ceremony of True Revolution of the Heart, True Liberation and Complete Freedom" in 2004 and at the 10.14 Cosmic Blessing Ceremony by True Parents in 2009.

3) Cheon Il Guk Foundation Day Holy Wine

At the 40-Day Memorial Service for True Father's Ascension, which was conducted at Bonhyangwon (Father's tomb) on 9.11 by the heavenly calendar in 2012 (Oct 25), True Mother said the following: "When True Father was still with us on earth, he instructed that Holy Wine for Cheon Il Guk Foundation Day be made and stored. This is that Holy Wine, which has been newly made." She asked that all members participate in the Cheon Il Guk Foundation Day to cleanse themselves in mind and body through the Cheon Il Guk Foundation Day Holy Wine. Mother then distributed the holy wine to all FFWPU regional presidents.

4) Cheon Il Guk Holy Wine (Distributed on 3.16 by the Heavenly Calendar in the 4th year of Cheon Il Guk)

A) True Parents' teaching: This holy wine was specially made after True Parents instructed that a holy wine be prepared to be bequeathed at the 56th Anniversary of True Parents' Holy Wedding, following the third anniversary of Foundation Day.

B) New Awakening and Determination: All blessed families and second-generation members are to drink this holy wine with renewed awakening and determination to "forgive, love and unite" with one another in accordance to True Parents' words.

Indemnity Stick Ceremony (for first generation couples)

Meaning of the Indemnity Stick Ceremony

What is the Indemnity Stick Ceremony for? Adam and Eve fell by misusing their lower parts. During the Indemnity Stick Ceremony, both wife and husband strike each other's buttocks as hard as they can, saying they will never fall again.

(Cheon Seong Gyeong 11.3.1.24, 273-316, 1995.10.29)

Tamar risked her life to continue God's heavenly way. Also, Jacob wrestled with the angel at the risk of his life. Although the angel struck his hip and dislocated it, he did not let go of the angel all through the night. The hip had to be struck. The Fall was brought about by the wrong use of the hips. That is why the Unification Church conducts the Indemnity Stick Ceremony after the Blessing. In that ceremony, the hips are struck because they were misused. Our ancestors representing the three ages engaged in improper love and became entangled in it, and we need to clear that up. (Cheon Seong Gyeong 11.3.1.25, 214-226, 1991.02.02)

We were struck by the indemnity stick, right? What is that about? We were struck because we misused our bottomts, right? This is not a game. This is a condition for overcoming the resentment that tainted the lineage of three eras. When the pain goes away, your sons and daughters in a liberated position can raise their hands and offer cheers of mansei toward Heaven. When that happens, all of Heaven, earth and creation must be able to respond with "mansei!" (215-86, 1991.02.06)

1. The fall was caused by misusing the lower body parts. The Indemnity Stick Ceremony is conducted to indemnify this act. This ceremony allows people to restore heart and body through the husband and wife striking each other while standing in a position to represent God.
2. In restoring the mistake of Adam and Eve, you, as an eternal couple, are pledging to live in harmony with each other in front of God, True Parents, other blessed families and senior couples.
3. Striking your partner three times has the significance of restoring the three stages of growth (formation, growth, and completion) and the three providential eras (Old Testament, New Testament and Completed Testament Eras).

Procedure of the Indemnity Stick Ceremony

*** With sincerity and a heart of gratitude**

1. Couples bow to Heavenly Parent and True Parents.
2. The man strikes his spouse's bottom with the indemnity stick 3 times.
3. The woman strikes her spouse's bottom with the indemnity stick 3 times.
4. The man and woman both bow to each other.

40-day Jeongseong Separation Period

Second generation

A period through which newly blessed couples offer gratitude to Heaven for allowing them to receive the Blessing and become a blessed couple.

First generation

a. First generation couples stand in the position of the archangel and Eve before starting the Three-day Ceremony.

b. The separation period is a period of time during which the couple establish their vertical relationship with Heaven before establishing a relationship with one another.

True Parents' words

The 40-day Jeongseong Separation Period after the Blessing Ceremony corresponds to Father's 40-year course. You must go beyond the number 40. In the course of restoration, the Returning Lord appeared 4,000 years after Jacob's time. In the Principle, the number 40 is connected with passing over this 4,000-year period. Indemnity must be paid centering on love. By overcoming this 40-day hurdle of connecting to God, a connection of love finally can be made. This is to indemnify the 4,000 years of history, the period from Adam to Jesus, the purpose of which was to establish God's love on earth.

God raised up Jacob, but it was another 4,000 years until the Returning Lord could find love and establish the ideal couple. That was the only purpose. Therefore, this period of 40 days is the time for establishing a condition of indemnity by yearning for the heavenly kingdom and focusing on the God's Will as a whole. This is not the time to think about your wife or husband. A couple must offer this devotion together, for the sake of God's kingdom and His Will. During the 40 days you are not to have conjugal relations. You can begin married life at the conclusion of the 40-day period. (ChamBumo Gyeong 4.1.3.7)

Three-day Ceremony

True Parents' Words

Women are in the position of Eve, and men are in the position of the archangel. Therefore the woman has no marriage partner, and she must give birth to one. The Three-day Ceremony is a ritual for giving birth to that substantial marriage partner. It is for the sake of giving birth to a man on the foundation of the 40-day separation period that represents all of history. In this way he is born again through three stages. Only when the man goes through the Old Testament Age and the New Testament Age to reach the Completed Testament Age does he become the woman's husband. Therefore, on the third day the husband takes the upper position when making love with his wife. For the first two days the wife takes the upper position, but on the third day she can finally take root on earth and the husband takes the upper position. The three-day ceremony is a conditional ritual of being absolutely obedient to True Parents' words so that the man can rise to the position of husband in the Completed Testament Age. While he is going through the Old Testament Age and New Testament Age, he attends his wife as his mother. (355-235, 2001/10/05)

Grace of the Holy Garden

Grace filling me with golden light, measureless blessing divine;
God gives eternal life to me, perfect rejoicing is mine.

Chorus:
Glorious the song ringing in my heart for my Father above;
Gratefully I give offering to Him, triumph and glorious love.

Joy surging like an ocean wave, flowing so deep in my soul;
Hope rises as I go in praise, knowing that man will be whole
(Chorus)

High, limitless eternal life, touching the top of the sky;
Praise filling every part of me blessing that never will die.
(Chorus)

You've chosen me to do Your will, thankful, I vow to he true;
I'm pledging in my heart of hearts; Father, my life is for You.
(Chorus)

Song of the Victors

Sing a loud Hosanna to the Lord,
Offer everything with humble heart.
Come attend the Lord, O rejoice in Him
Who brings new life to all the world.
Let us go determined to seek and find
All the promised glory of the Lord.

Chorus:
There we'll sing new songs in the Garden fair,
Songs of freedom bright with happiness.
There we'll sing new songs in the Garden fair,
Songs of freedom bright with happiness.

There are clouds of darkness on the path,
Sinful night enveloping the land.
Brush the clouds aside and behold the light
That shines in beauty everywhere.
Let us go determined to seek and find
Our new world of joyfulness and peace.

Oh, my brothers all rejoice today,
You who sing the song of our new life.
Offer praise on high, blessed for evermore,
As chosen people of the Lord.
Let us go determined to seek and find
All the brilliant glory of our dreams.

We uphold the standard of the Lord,
To restore His true ideal.
Freely give your love, share the Father's joy,
And beauty will return to you.
Let us go determined to seek and find
Harmony within the Garden bright.

Song of the Garden

The Lord into His garden comes;
The spices yield a rich perfume;
The lilies grow and thrive, the lilies grow and thrive.
Refreshing showers of grace divine,
From the Father flow to every vine,
And make the dead revive, and make the dead revive.

Oh that this dry and barren ground
In springs of water may abound;
A fruitful soil become, a fruitful soil become.
The desert blossoms as the rose,
When the Saviour conquers all his foes,
And makes His people one, and makes His people one.

Come brethren you that love the Lord,
And taste the sweetness of His word;
In Father's ways go on, in Father's ways go on,
Our trouble and our trials here,
Will only make us richer there,
When we arrive at home, when we arrive at home.

Song of the Banquet

Pure new life that once was sown within the garden's fertile soil,
Sprouting seed has now become a blossom of heavenly loveliness.
Father above, Lord of all, shower your blessing upon
This holy day, bond of love forever more!
Hallelujah, Glorious Day of Joy!

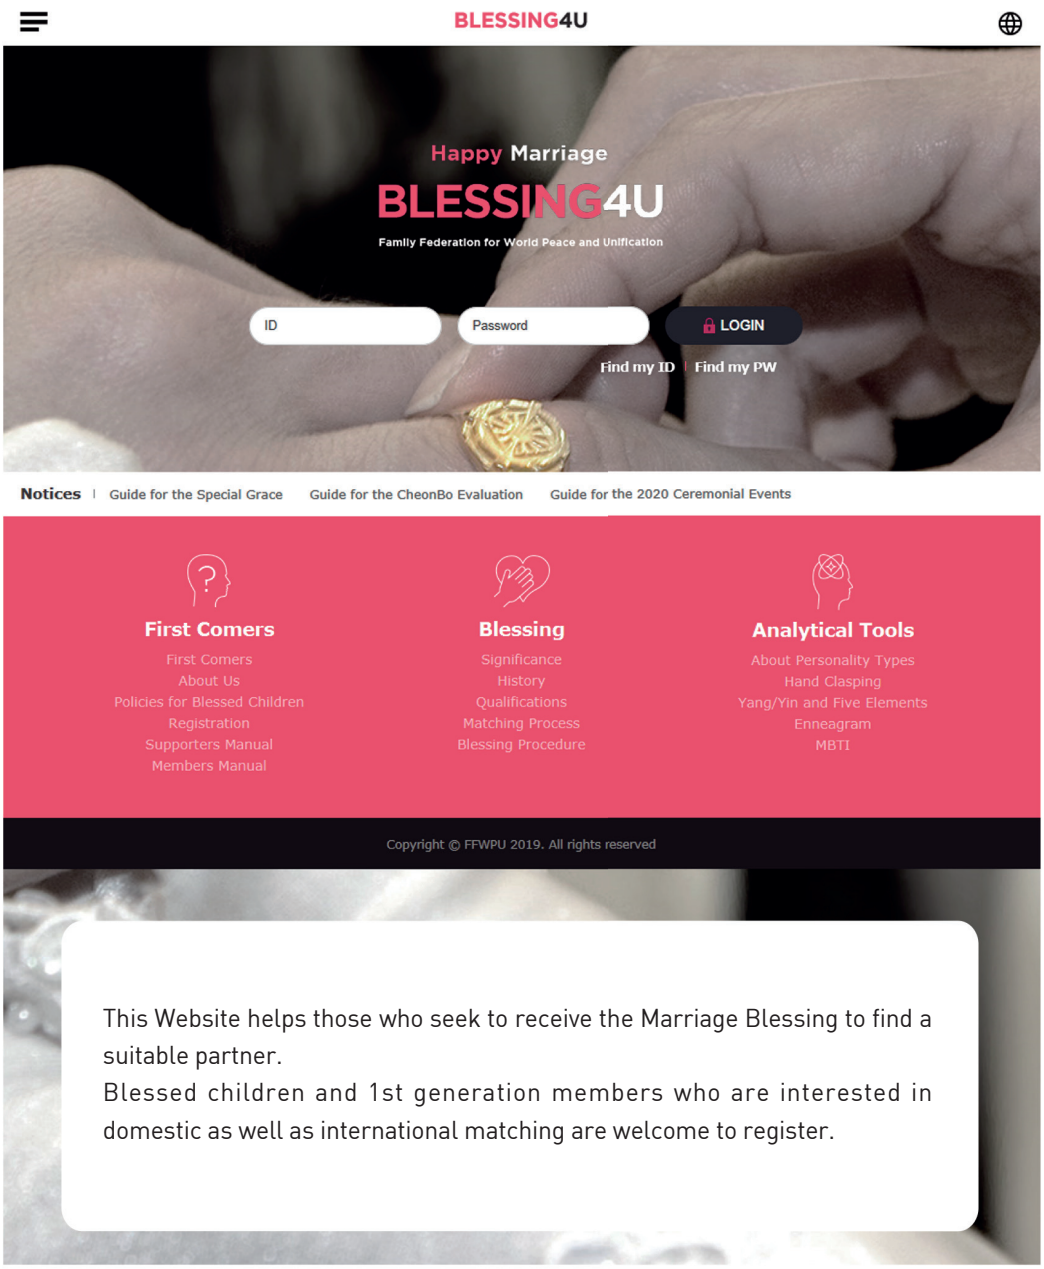

Fairest flowers of the meadow, tender buds of perfect form.
Now receive the gift of life and dance in the joy of eternal spring
Heavenly host, men on earth, join us in praising this day;
Bless us to share, love's communion faithfully,
Hallelujah, Glorious Day of Joy!

Hushed we stand in awe before you, ready now to give our pledge,
To attend and serve completely with an unchanging eternal love.
Glorious King, mighty God, fill with your blessed grace,
This dearest one; holy banquet of our love.
Hallelujah, Glorious Day of Joy!

Overflowing with your love as dawn proclaims eternal life,
Earth and heaven come surround the glorious Parents of mankind,
Gather around, sing the song, fragrant the love of the Lord;
Tell all the world, Spring has come eternally!
Hallelujah, Glorious Day of Joy!
